## TOURIST BUREAU

A BRANCH OF

### THE BUREAU OF PUBLICATIONS

HEAD OFFICE: The Head Office of the Saskatchewan Tourist Bureau is located in the office of The Bureau of Publications, Room 225, Legislative Building, Regina, Sask., to which all written communications should be addressed. The Bureau of Publications is a branch of the Saskatchewan Government.

TOURIST ROUTING: Head office, in addition to the distribution of literature, is prepared to supply, free of charge, marked maps, booklets, to or from any point in Saskatchewan from or to any point in Canada or the United States. Such routing will be mailed upon request only. Information be included: (1) name, (2) address, (3) starting point, (4) destination, (5) approximately the time when it is proposed to commence the journey, (6) the place, if any, through which the tourist wishes to travel, (7) the mode of travel, (8) the mode of return.

These routings are prepared by L. J. Longpre, director, who is in charge of the field work and information offices of the Tourist Bureau. By long experience, Mr. Longpre has gained a remarkably comprehensive knowledge of the province and the United States, thus enabling the tourist excellent service in planning a pleasant and profitable holiday trip.

TOURIST INFORMATION OFFICES: To render the best service possible to tourists who visit Saskatchewan, the Tourist Bureau has established a network of information offices for the purpose of registration and providing the tourist with information relating to highways, road conditions, or any one of the many matters that may be coming, while touring the province, are invited to visit any one of these offices.

A sympathetic reception and dependable information await them.
